MEDI-CAL COUNTY CORRECTIVE ACTION CONSULTANTS

All County Welfare Directors Letter No. 83-1 dated January 3, 1983 explained the establishment of a County Control Unit. Effective August, the Unit was renamed the Corrective Action Unit and the county assignments revised. The Unit's goals continue to be (1) to avoid federal Medicaid fiscal sanctions and (2) to assist counties in establishing and maintaining an acceptably low dollar error rate.

The purpose of this letter is to identify County Corrective Action Unit Consultants, their present county assignments and telephone numbers.

They can be contacted to discuss all issues related to corrective action activities. Should you have any questions, please give them a call at the number listed.

Sincerely,
